Submissions

Submissions of articles to ASEAN Economic Bulletin are welcome. We particularly encourage article submissions from young professionals, including those who have recently completed their Ph.D. or are at an advanced stage in their doctoral research.

Articles should be of contemporary economic interest and have clear policy relevance. They should be pertinent to the Association of Southeast Asian Nations (ASEAN) or its member countries. Each article should be between 3,000 and 6,000 words in length. Articles should also be of an acceptable standard of English (i.e., they should be clear and comprehensible). The broad format should be scholarly, but tables, figures, citations, footnotes, and quotations should be kept to a minimum level essential for the analysis or descriptions intended. Articles must be accompanied by an abstract of approximately 100 words.

Articles submitted to the journal should be original contributions and should not be under consideration by any other publication. They are subject to external blind refereeing. Electronic submissions are preferred and should be sent as an e-mail attachment to: aeb@iseas.edu.sg. Alternatively, articles can be sent by post, in duplicate, together with a soft copy in a diskette to:
