

# **CAPITAL MOBILITY IN ASIA**

The **ISEAS - Yusof Ishak Institute** (formerly Institute of Southeast Asian Studies) is an autonomous organization established in 1968. It is a regional centre dedicated to the study of socio-political, security, and economic trends and developments in Southeast Asia and its wider geostrategic and economic environment. The Institute's research programmes are grouped under Regional Economic Studies (RES), Regional Strategic and Political Studies (RSPS), and Regional Social and Cultural Studies (RSCS). The Institute is also home to the ASEAN Studies Centre (ASC), the Nalanda-Sriwijaya Centre (NSC) and the Singapore APEC Study Centre.

**ISEAS Publishing**, an established academic press, has issued more than 2,000 books and journals. It is the largest scholarly publisher of research about Southeast Asia from within the region. ISEAS Publications works with many other academic and trade publishers and distributors to disseminate important research and analyses from and about Southeast Asia to the rest of the world.

7.10	Impulse Responses of Key Variables to Capital Account Policies (Asset Side), 2000-10	180

## Acknowledgements

---

The author wishes to record deep thanks to the ISEAS manuscript committee, especially to the two anonymous reviewers for their suggestions on my manuscript. Deep appreciation, too, goes to Prof. Hal Hill, Prof. Jong-Wha Lee, Prof. David Vines and Dr Muhamad Chatib Basri for their time to review my book. Last but not least, I would like to give special thanks to the ISEAS's editorial team, especially Ms Sheryl Sin Bing Peng, for the efficient and helpful work.
