### ACIA

- investment provisions, 101
- see also* ASEAN Comprehensive Investment Agreement

### AEC (ASEAN Economic Community)

- benefits, 164–71
  - investment and capital flows, 114
  - stakeholders, 166, 172
- benefits and costs
  - methodology of quantitative estimates, 74
  - quantitative estimates, 73–80
  - stakeholders, 55, 81
- building upon AFTA, 21
- CGE model, 24–37
- competition policies, 58, 59–62
- competitive economic region policies, indicators, 75–78
- economic impacts, empirical estimates, 171–73
- effect on FDI flows, calculations, 104
- effects
  - CGE approach to estimation, 32–37
  - services output and trade, 49
- elimination of NTBs, 32
- estimated impacts on FDI share of GDP, 79
- estimated impacts on GDP per capita, 78
- estimates of benefits, 73–80
- framework on services liberalization, 42–43
- impacts on household income, 122
- implications for business community, 165
- infrastructure development, 58

- liberalization and integration of goods and services sector, 27
  - narrowing development gap, 138
  - policy evaluation, 79
  - policy reform, as catalyst of, 8
  - political opposition, 2
  - potential impact on investment flows, 100
  - process, critical, 1
  - quantitative assessment, extreme bound analysis, 58
  - structural effects, 54
  - welfare effects of, 54
- ### AEC Blueprint, 11, 18
- activities related to innovation, 62
  - ASEAN as competitive economic region, 58
  - ASEAN centrality, 160
  - capital market development, 170
  - commercialization and protection of intellectual property rights, 62
  - commitment to global integration, 162
  - endorsement of ASEAN IPR Action Plan, 2004–2010, 67
  - formation of single market, 33
  - free flow of investment, 83
  - goals of open FDI, 112
  - goods, services and skilled labor, 20
  - infrastructure development, 68–72
  - integration provisions for investment, 85
  - introduction of competition policy, 59
  - need for countries' rapid response to objectives, 39

- open regionalism, 100
- potential impact on FDI, 101
- recommendations regarding free flow of skilled labor, 52–53
- reforms to enhance CEPT rules of origin, 28
- regional integration, 158
- standardization of trade and customs, 29
- types of measures needed, 32
- zero tariff, 27
- AFAS, 107, 167
  - focus of negotiations, 45
  - maritime transport liberalization, 69
  - see also* ASEAN Framework Agreement on Services
- AFTA, 11
  - effects of, 26
  - reduction of tariffs, 102
  - step towards AEC, 26–27
  - structural effects, 54
  - welfare effects of, 54
  - see also* ASEAN Free Trade Area
- AFTA-CEPT
  - elimination of tariffs, 32
- Agreement for the Promotion and Protection of Investments, 107
- Agreement on the Common Effective Preferential Tariff (CEPT), *see also* AFTA-CEPT and CEPT
- agricultural products, tariffs, 8
- agriculture, contribution to GDP, 11
- AIA-Plus agreement, 107
