## THE AUTHOR

Anwar Nasution, Ph.D., teaches at the Faculty of Economics, University of Indonesia, and is Research Associate at the Institute for Economic and Social Research at the same Faculty. From 1966 to 1968 he was Chairman of the Task Force Ekonomi KAMI (Indonesian Student Unity Action), and from 1968 to 1975 held a second appointment at the Ministry of Finance in addition to his teaching post. In this capacity, among others, he was assigned to attend OPEC meetings during 1974-75. He obtained a Doktorandus Ekonomi degree from University of Indonesia (1968), an MPA from Harvard (1973), and a Ph.D. in Economics from Tufts University (1982). His interests are mainly in the field of macro-economics, money and finance, and international trade. His publications appear regularly in journals and newspapers both in Bahasa Indonesia as well as in English.
