

bibliography

Explanatory Notes:

This bibliography is divided into five sections: Public Documents; Articles in Books & Journals; Major Reports, Monographs, & Books; Unpublished Duplicated Material & Dissertations; and News Agencies, Newspapers, & Magazines. It should be noted that not everything cited in the text is listed in the bibliography. For instance, documentation on donors' statements and speeches can be found in Part I under the International Conference on the Reconstruction of Cambodia (ICORC) and the Council for the Development of Cambodia (CDC). Reports by UN agencies are also listed in this section, according to their names (i.e. UNDP and UNTAC). But some of the speeches by political leaders and policymakers mentioned in the endnotes are not listed here.
