

## INDEX

### A

Accident Compensation Commission,  
138

accountability, 32–33

adolescent pregnancies, 156

Alma Ata conference, 251

ALS (average length of stay), 273–74

ANC (ante-natal care), 79–81, 85

Angkor Hospital for Children, 356

Angkor Wat, 355–56

Annear, Peter, 104

annual operating plan, 165–66

Aravind Eye Hospital, 180

Asia Pacific Observatory on Health  
Systems and Policies, 15

Asia, population, 6

Asian Development Bank, 15, 50, 357,  
390

ASL8, 334, 339, 343

organizational goals, 340–42

“asset specificity”, 108

Association of Family Health, 171

AusAID, 189

avoidable mortality, 35

### B

Bangladesh

health voucher scheme, 80–84, 94

infant mortality rate, 78

Ministry of Finance, 95

Ministry of Health and Family

Welfare (MOHFW), 78, 80–81,  
85

Basic Health Units, 155, 157–58, 180

bed census survey, 413–19

bed net scheme, 92

“Better Health Services”, 387, 405,  
414

block contract, 115

“blood/bleeding fever”, 358–59

bonus schemes, 158–61

bonus system, 331

BOR (bed occupation rate), 273–74,  
276, 283, 285, 289, 293, 302

Brazil health programmes, *see under*  
Curitiba, Brazil

Brazilian Association of Graduates in  
Collective Health, 171

British Association of Medical  
Managers, 309
