\*Much of the research in the NIOD Indies Collection was conducted in 1999–2001 when that archive employed a six-figure file numbering system. However, research there continued intermittently until 2017, by which time most NIOD files had been digitized and renumbered using an entirely different four-digit system. In this book the new file numbers are given, except in rare cases where it has not been possible to identify a document consulted under the six-digit system.

- Item 1 of Javint 3134/3 of 4 March 46. "Taken from Capt Nakamura Hiroshi.
