Manuscripts should be double-spaced and between 6,000–8,000 words (including endnotes and a 150-word abstract). Research Notes and Comments, which would include reports of research findings of shorter length, as well as reports of ongoing research projects, are also invited. Manuscripts should be in Word format and should be sent to the Editors electronically to the e-mail address below. Citations should be made in the author-date style, with full references, and endnotes where appropriate. Authors should include keywords.
